

Congratulations once again to the Southeast Region for remaining #1 in the membership standings and to each and every Detachment for making the 80% target date (March 13<sup>th</sup>). As we look toward the future, here is a breakdown of what each Detachment needs for the April 10<sup>th</sup> 90% target.

|             |                               |
|-------------|-------------------------------|
| Puerto Rico | ZERO-already achieved 103.85% |
| Florida     | ZERO-already achieved 95.01%  |
| S. Carolina | ZERO-already achieved 94.52%  |
| Tennessee   | 54 members needed             |
| Virginia    | 138 members needed            |
| Louisiana   | 62 members needed             |
| Mississippi | 29 members needed             |
| Georgia     | 199 members needed            |
| N. Carolina | 126 members needed            |
| Alabama     | 99 members needed             |
| Texas       | 301 members needed            |
| Arkansas    | 31 members needed             |

Based on renewal rates, every single one of the members needed to reach the 90% goal are already a member of your respective detachment. What are you prepared to do to get them current?
