American Legion Post 96 HONOR PARK & COMMUNITY GARDENS

Sponsored by
Sons of the American Legion Squadron 96 & Friends

The Honor Park Project, sponsored by the Sons of the American Legion Squadron 96 and friends is seeking volunteers and sponsorship to transform the “south of the creek side” of the American Legion Post 96 property into a “must see” attraction. This beautiful park located just off University Drive between College and Church Street will be built in Honor of our Armed Forces (past, present and future) to show continued appreciation for their service to our great nation. This effort is also in keeping with the spirit of the American Legion of continued service to our communities, states and nation.

Join the citizens eager to give back to our military and community through the development of this little oasis built in honor of our service members, a future McKinney “must see” attraction.

You do not need to be a member of the American Legion or any of its affiliate organizations to become a member of a committee or to volunteer your assistance to develop, promote, and maintain the Honor Park.

Sons Of The American Legion

A devoted organization that not only supports our Armed Forces and the very principles that our Military stands for but also provides the vehicle for the Legion Family and the Community to work together. Provides various services to our community, state and nation. Perpetuates the promotion of Honor, Patriotism and Loyalty to our Great Nation.

Join the Honor Park Project

When you join the Honor Park Project you are doing more than building a park you are contributing to the quality of life for our Armed Forces and our community. Your efforts directly impact the whole community. This beautiful oasis will be available to the public for private use through a reservation process managed by the American Legion Post 96 and Sons of the American Legion Squadron 96.

How You Can Help

1. First and foremost, volunteer to be an involved member of the newly formed Honor Park Project Committee.
2. Volunteer to be an involved member of one or more of various sub-committees.
3. Assist with fund raisers and other events evolving through the Honor Park Project Committee.
4. Provide Sponsorship either through services and expertise or monetary support.
5. Assist with the physical transformation of the land into the beautiful, must see, oasis.

Note: No membership dues or fees associated with the Honor Park Project. You are welcomed but not required to join the American Legion and affiliated organizations. Military service is not a requirement to join the Honor Park Project. We are looking for members with a heartfelt desire to Honor our PROTECTORS, those who have served, those who are serving and those who will serve in the Armed Forces.
