

Gentleman, I would like to thank each of you for your support this past year. It has been great talking and meeting many of you throughout the year. We accomplished so much this year as a region. As we saw at National Convention many of our Detachments receiving awards. Great Job to the Detachment of South Dakota and Commander Casey Hanson for their work in Membership. As of August 25, 2022 we as the Midwest Region did not reach 100% membership as we sit at 99.58% just 121 members short. I take the blame for that as I was your leader for the 21-22 year. Please hold your heads up because as a National Organization we finished 101.36%. Lets continue to grow our membership in the our great organization. Please remember that 2022 member is still excepted until December 31 which we can definitely hit 100%

I think as we move forward into the new year we are now in the capable hands of National Vice Commander Michael Kirschner. Let's help him and National Commander Chris Carlton have a great year. Let's help him hit that 100% membership by National Convention in Charlotte.

Thank you and have a great year.

Juan R. Torres
National Vice Commander
Midwest Region 21-22
