

Leaders of the Midwest

WAY TO GO!!!!!! Welcome to the 100% club. We have done it but there is still more membership to go and get. Let's not forget our brothers that have yet to renew their membership. To the Detachments that are still below 100% don't give up there is still time and as Chairman Skelley has stated...

Even though we are about to embark on 2024 membership let's go and get the remainder of 2023 that can technically still renew until Dec. 31, 2023.

Also, way to go South Dakota and Colorado!!!!!! It appears that you have both achieved the Triple Nickel Award!!!!!!
