

Gentlemen,

CONGRATULATIONS and hats off as we have already made the national 75% goal, and especially to Louisiana, South Carolina, Florida and Alabama for leading the region. Mississippi, North Carolina, Georgia, Virginia and Tennessee are all in the 70 percentile while Texas, Arkansas and Puerto Rico are coming on strong!!

Please see the attached current membership report along with the final 2023 report. Remember that the TRIPLE NICKLE award is based on obtaining 105% of your previous year's membership, along with activating FIVE new squadrons and having at least an 85% renewal rate by July 1st of the current calendar year. I have included your target numbers for the 105% based on the end of year numbers. **REMEMBER!! Your 2024 goals have NOTHING to do with the Triple Nickel.** If you have any questions, please feel free to reach out. Until then, keep up the hard work, keep supporting the FOUR PILLARS of THE AMERICAN LEGION and KEEP THAT MEMBERSHIP ROLLING IN!!
