

First and foremost, congratulations to each detachment in the Southeast Region for crushing the January 18th goal. As it stands, we already have 9 of our 12 Detachments that have surpassed the upcoming February 14th goal of 75%. We also have 3 Detachments, South Carolina, Florida and Louisiana in the top ten nationally. Outstanding work gentlemen!!

Speaking of the National level, we are 21,219 members ahead of this time last year, and Regionally, we are 5,944 ahead!!

Each of the 5 Regions are over 70% and doing exceptionally well.
The formula is simple: dedication + hard work = SUCCESS!

How do we continue to grow and reach our membership?
