

Comrades,

Thank you all again for what you do, your dedication is making a difference. The Southeast is still on top and making strides. Since our last report, we have added two more Detachments to the 35% club, with Tennessee only a few members away from securing their spot.

Nationally, we are 8,751 members ahead of this time last year. Regionally, we are 3,115 members ahead of last year, which equates to a 1.87% increase. Please honor the veteran that made the sacrifice to give you your eligibility by renewing during National Renewal month in November. There is still no update on the IRA or Blue Brigade forms, but as promised, I will let you all know when they are posted.

As always, any questions, comments, concerns or suggestions.....feel free to reach out. Until next time, keep the momentum going, keep the faith and KEEP THAT MEMBERSHIP ROLLING IN.

THOM SKELLEY
SONS OF THE AMERICAN LEGION
SOUTHEAST MEMBERSHIP CHAIRMAN
