

Fellow Sons,

The continued success of the Southeastern Region is playing a pivotal role in the success of our membership numbers on the National level. Our region has added over 1000 members over the last week, taking our total to 32,862 which is 6,526 more than last year at this time. We have 6 out of the top 11 Detachments, and all but two have already made the January 18th goal of 60%. Nationally, we are 25,542 members ahead of schedule and only need 3215 more members to achieve our 60% goal. It has been said again and again, this ONLY happens with the hard work and dedication from our members on the front lines. Congratulations and a huge thank you for all that you do to ensure membership growth.

Sons are born, members are **MADE**.
Making A Difference Every day.
