

Detachment of Texas

Commander's Travel Notes

March 8, 2023

TO ALL PROUD POSSESSORS OF A PRICELESS HERITAGE

The following is not an official Sons of the American Legion event however it affects all who qualified you to be a Son. I was honored to be a part of the Department of Texas Legislative Council where we were able to go and visit (some by appointment and others by dropping in) State Representatives and State Senators to discuss House and Senate Bills proposed for this 88th Session of the Texas Legislature.

The Legislative Council consists of 30 or more current or past Department Officers, Committee Chairs, and Department Headquarters officials. The Council met the night before our trek to the State Capitol to receive our District Assignments and discuss the more than 100 House and Senate bills filed that are a priority to The Department of Texas The American Legion.

Then came Wednesday the 8th of March and away we went to our appointments and drop-offs. I had a wonderful time meeting some outstanding individuals doing the people's work. Quickly forging a mutually advantageous relationship for both parties. I have already reached out to my Legislative friends to thank them for the gracious hospitality shown to me by their entire staff. Their reply to me was quick and efficient. I was extremely honored to represent The American Legion.

Honoring our priceless heritage

Clifton Guillory

Commander, Detachment of Texas
