

My brothers,

First and foremost, please keep all those affected by the Key Bridge collapse in Maryland in your prayers.

TWO WEEKS left to make the 90% goal (April 10<sup>th</sup>) and we only have 25% of our Detachments that have done so. Here is a breakdown on what you need. For a broken record, it sure plays well....RENEWALS ARE THE KEY!!

Please take time to review the Membership Engagement Team document attached to see how you can KEEP the MEMBERS you already HAVE!!
