

Gentlemen,

Please see the attached National Membership Report AND the 2024-25 Target Dates and Renewal Postcard schedule

There is not much more that can be said that hasn't already been mentioned. As we approach our annual Spring meetings, every member of the Southeast Region can arrive in Indianapolis with heads held high! The current report has us at 99% of our goal, a mere 491 members shy of hitting 100%!! I know how hard it is getting those last remaining members to renew, but like North Carolina State Head Coach Jim Valvano once said, "Don't give up...don't ever give up." Remember the passion YOU have for the Sons, and instill that into our past due members. Remind them of the hundreds of thousands of hours volunteered and dollars donated to our veterans, children and youth. Remind them that they are a part of something bigger and, most importantly, remind them that;

EVERY MEMBER MATTER
