

Gentlemen,

There is little left to say, that hasn't already been said, about this year's membership accomplishments. We now have 10 of our 12 Detachments at or over 100%, WELCOME TO CLUB 100..... GEORGIA!! As we prepare to gather in New Orleans, I just wanted to take some time to reflect on one simple truth. None of us would be part of the Sons if not for a veteran that served this country. Whomever that person is to you, always keep them in your hearts, thoughts and prayers.

Thank you all for your dedication.
