

Membership Report 2/12/25

Gentlemen, please see the attached membership report as of February 12th (75% target date). The Southeast is leading the race for 2025 membership but only by a small margin we're one percentage point ahead of the Central Region. We picked up 878 memberships since last week and nine of our twelve Detachments have met their 75% goal. Guy let's keep chipping away at our membership goals, the next target date is March 12th 80%. Thanks for all you do !
