

Attached is the [latest membership report from National](#) & the "[Recruitment Pin Form](#)". We have picked up 601 members since the 12th of February and currently sit at 81.50%, just 1.17 percentage points ahead of the Central Region. Guys with that being said we have a lot of work to do, the 80% target date is in three weeks (3.12.25). The Southeast still has around 8750 members who have not renewed for 2025. Four Southeast Detachments already above the 80% mark. Please keep up the Great Work, Thanks for all you do !
