

Gentlemen attached you will find the [Membership Report](#), the [Grassroots Newsletter](#), & the [Individual Membership Recruiter Pin Form](#). The Southeast Region had 412 memberships processed since March 3rd. We're about 1600 members ahead of this time last year, the 80% target date is this coming Wednesday, currently there are nine Detachments within the Southeast Region that have already achieved or surpassed their 80% goal. According to my calculations our region still has around 7,000 delinquent members from 2024, please continue to seek out those delinquent members and please get the " Individual Membership Recruiter Award Pin Form" out to the Squadrons as I've only had Four submit a form for this award thus far this year. Thanks for all you do ! Stay SALSTRONG !
