

Take a look at the [Southeast Region](#) ! We hit the 100% Membership mark as a Region. Great Job Guys! As I mentioned in my last email, 2026 Membership Cards will be arriving soon, so please continue to seek out those who have not renewed for 2025, perhaps make them a deal ..... Pay 2025 & 2026 dues and receive a little discount ??? That way they will keep their continuous years of service. I have also attached an ["IRA" form](#), please get those in before the cut-off date of June 30th. As Tom Skelley made mention last night on our NVC call ..... Some Members get a little upset when asked to renew in July (being Membership Cards state December 31st) but ..... in all reality you only pay once a year, regardless of what time of year that maybe, so ..... why not get in the habit of paying in July ? Keep doing what you do, Southeast Region ! And as always Thank You, for your dedication & hard work,
