

Gentlemen, I've attached two membership reports #1 our [report as of 11/03/25](#). The second is the [report as of 10/29/24](#), I was just wanting to compare and when I did I had to double check and YES ! YES ! My calculations are correct. We are Nationally almost 31K ahead of this time last year, actually 30,860. The Southeast is 4465 memberships ahead of this time last year. Great Job Guys ! You are knocking it out of the park ! Whatever you're doing, please keep doing it. Our SE Membership Chairman Scott Williams is doing a tremendous job getting the membership information out (Thank you Scott). With only eight weeks until January 01,2026, I want to mention 2025 delinquent members, if you have someone in your Squadron that has not paid their dues for 2025, please reach out to them one more time, maybe make them a deal for 2025 & 2026 membership dues (at my home Squadron we waive the Squadron's portion of the dues for 25 if they'll pay both 25 & 26 membership dues). Remember VETERANS DAY November 11th, a day to thank and honor all military veterans for their service and sacrifice, whether in times of war or peace, of course that's what we the Sons of The American Legion do on a daily basis. Our next SE NVC zoom is scheduled for December 03,2025 @ 1900 central time , I'll send a link out soon. Thank You for all you do ! us
