

Gentlemen of the Southeast Region,

We're in a friendly competition, and while we've temporarily moved into second place, the spirit and dedication of our region is second to none! This is a minor speed bump, not a roadblock, and we know we can reclaim our top spot with your renewed commitment.

In just twenty-one days, a new year begins. Let's make sure every proud Son of the American Legion in the Southeast is counted among the active members who drive our mission forward. Renewing now ensures you remain a member in good standing, connected to our vital network and community.

You are a vital part of a priceless heritage. Your membership is a living tribute to the service and sacrifice of your ancestors who served our nation with honor. That powerful legacy of patriotism, service, and mutual helpfulness flows through our entire Legion Family, and it's our privilege to continue it.

Now is the time to renew that promise and maximize your impact!

Your annual membership dues are not merely a payment; they are a direct investment in the four pillars of The American Legion—supporting veterans affairs, national security, Americanism, and youth programs.

Let's get back to number one!

Please renew your membership today and help us show the nation the true strength of the Southeast! You can conveniently renew your dues:

- Online at the myLegion website ([mylegion.org](http://mylegion.org)).
- In person at your squadron.

Thank you for your unwavering service to God and Country.

*"If those of us who can don't then nothing will be done"*

For God & Country, *Bryan Hine*
