To: Detachment of Texas
Date: July 16, 2015
Subject: National Commander Visitation

Thank you for your hospitality during your Sons of The American Legion Convention the weekend of July 09-12, 2015.

Thank you NEC Milton Chatham for your outstanding Hospitality and for escorting me during the meeting.

Having the opportunity to meet the National Honorary Jr President Gracie and taking the time to find out about her projects was priceless.

Observing the Detachment of Texas Comradeship and supporting the youth of today by getting them involved only helps "Build the Bridges to the Future." Great Team Work!

Thank You for all you do for our Veterans and your community, State and Nation. The American Legion Family greatly appreciates your participation.

All my best,

Michael W. Moss

Mike Moss

National Commander
