Colorado BIG on Shooting Sports

The Detachment of Colorado is big on shooting sports, just ask Ron Noakes, Scott Sexton or Ken Taylor, all three of these members have worked hard in promoting and developing gun safety and training programs. Not only this but the Detachment of Colorado has gone so far as to purchase a portable BB Gun shooting range that can be transported throughout the state to Gun Shows and other events to promote Jr. Shooting Sports and gun safety. Thanks go out to all Sons of The American Legion members throughout the Detachment of Colorado for supporting and promoting Jr. Shooting Sports. Educating and training the youth in Colorado on gun safety, proper use and marksmanship.

Add to this that soon Colorado Springs, Colorado will be the focal point conducting the National Jr. Shooting Finals. The Championship will be held July 21 – 25, 2015 at the USA Shooting range facility located at the Olympic Training Center in Colorado Springs, Colorado. The winners in both the Precision and Sporter category will each receive a \$5,000.00 college scholarship provided in part by The American Legion, the Sons of The American Legion and The American Legion Auxiliary. The two winners will also receive an expense paid trip to Baltimore, Maryland, in Baltimore they will be honored as part of the Youth Champions Delegation during the American Legion National Convention.
