

Latest update from last years Membership Chairman George Flasiniski

Gentlemen,

Here is my last report! Please forward on to your distribution list.

The Blue Brigade information for 2015-2016 is posted after this message.

Because of the power failure in Indy last Friday I would count this as the last report before Convention. I had thought I sent this from my phone on Monday morning but obviously it did not go thru.

Well, the Central Region is still in 1st place! And look at the Eastern Region coming in over 100%. Great job NVC Bill and RMC John....

Finally, any Detachment that did not get your 100% or All Time High Ribbons can request them from National.

For God and Country.
