

NVC Update

The membership report shows 33 Detachments at 100%.

With 4 months left in the year, How many other Detachments can hit 100%?
Many of you are so close?

In the Midwest,

Congratulations SD, ND, MT, OK, WY, and KS for hitting 100% by convention.

Can Nebraska, Colorado, Texas and New Mexico achieve 100% by end of Year?

I hear Nebraska may have them soon.

Anything we can do is appreciated.

Thank you.

As a kick off for this year. Remember our membership Theme.

Be a Super hero, and sign up your 3 veteran hero's today.

Let's help grow The American Legion, which in turn will grow the Auxiliary and the Sons.

Please get this to everyone in your Detachment's.

A couple of email protocol issues, I would like to address.

If you wish to be removed from a list, please email the sender only. Do not email the complete distribution.

If you have a positive statement, send it out. Or wish to challenge your counter-part in another Detachment, by all means be positive and send out to the distribution. That is why it is here.

Let's keep everything positive and continue have fun this year.

Our first Conference call is coming up on the first Tuesday of September.
Theme this Conference call is Membership.

I understand not everyone will have the Book of Knowledge, but we will discuss it this month and next month.

Hopefully, by next month everyone will have the Book of Knowledge to further discuss sections each month.

Commanders, please be prepared to brag about your goals on Membership for 2016-2017.

Successes that worked for your team last year.
