

Gentlemen,

We are near the end of membership year... but don't let up now!

I have also forwarded the most recent membership report, renewal report, and the latest power point in the Knowledge is Power tour!

We are sitting at 94.315% nationally and approximately 900 members ahead of where we were this same time last year! Congratulations to the 7 detachments that have all surpassed the 100% mark... Hawaii, Alabama, Nevada, Montana, North Dakota, North Carolina, and Nebraska! Our 105% target date of July 19th will be here before you know it! As a reminder, this target date carries some significance in that it determines where you will be sitting in Reno!

We need to continue to work renewals! Nationally we are at a 84.31% and behind pace on last year's 89% renewal rate. Let's all shoot for a 90% renewal rate! Congrats to Hawaii, Puerto Rico, North Dakota and Nebraska who are all over 90%!

Lastly, please have a safe Memorial Day weekend!

Thanks for all you do for the Sons!
