

Gentlemen,

Give yourself a pat-on-the-back for a job well done! YOU exceeded the 45% target and are currently sitting more than 11,000 members ahead of where we were this same time last year! Attached you will find the most recent membership report and the 45% target memo. Congrats to the four regions and 41 detachments who met the goal!

Although the holidays are a busy time they are also a great time to focus on membership! Take the opportunity to catch those members from your squadron who have moved away and are back visiting family and friends... send holiday cards from your squadron thanking members for their support and outline some of the "good works" that your squadrons has done over the year... and certainly don't forget that membership makes a great gift!

Thanks for all you do for the Sons!
