SUBJECT: Legion Coin bill update 4

Congress has finally returned to D.C. and the opportunity to pass our coin bill in the House is at hand. Legislative staff in DC has met with House leadership to get the bill to the House floor and we await word on when that might be.

Last week, we were at 308 cosponsors in the House. Today, we are unofficially at 322. Looking back at the 19 coins authorized by Congress since 2010, I am excited to say The American Legion has now surpassed the cosponsor amount on all but one, i.e., the United States Army Commemorative Coin, which had 348 House cosponsors when it passed. There's still time to see if we can surpass that!

The House members listed below are not yet co-sponsors of H.R. 2519. (Those highlighted in yellow have come on as cosponsors since my last email.) Council members who are liaisons to them are encouraged to call their Washington, DC office and ask for the congressional staffer who manages the Veterans Affairs portfolio. Please ask them to join H.R. 2519 as a co-sponsor and support The American Legion and the great work we do for veterans.

Thank you all again for your outstanding efforts on this campaign as we near its end.
