Public and Media Communication

As you are filling out your CSR (Consolidated Report Forms) in the next month think about the activities that you did over the year... that Flag Education program at your school... the day a few guys from your Squadron built a wheelchair ramp for a local veteran... the hunter safety course you conducted... or putting out Flags at the cemetery for Memorial Day. Chances are someone took a picture of these events. Find those pictures and enter them in Snapshots of Service. Snapshots of Service is a photo contest promoting the programs of the Sons. The picture must be a jpg or tiff, members must be wearing their SAL cover or apparel, and the picture must represent one of the four pillars: Americanism, Children and Youth, National Security, or Veterans Affairs and Rehabilitation. Fill out the attached form and submit your photos to djbradtmueller@att.net. Recognize the efforts of your Squadron and submit those photos today!
