

FYI...I've made the below changes in MMIS/AS400 to the SAL 2020 target dates in April & May (since SAL mirror the Legion target dates) per the below email that was sent to the Legion Departments & National Officers by Matt this past Saturday 4/04/2020.

~~APRIL 8, 2020~~ - (new) **May 13, 2020** *due to COVID-19* 90%

~~MAY 13, 2020~~ - (new) **June 17, 2020** *due to COVID-19* 100%

Again, the SAL delegate strength target date will always differ since SAL's convention begins before the TAL convention and it's 30 days prior to the start of the SAL convention, the SAL delegate strength target remains as **July 29, 2020** (as originally published). The SAL's final renewal notice for 2020 will be sent April 24th (3rd of 3) no changes to this date either.

Let me know if you have any questions.

Thank You,
