

The Midwest Fox squad,

What a great start we are off too in Membership. As a Region 23.69% putting us in 2nd Place behind the Southern Region which I find unacceptable(LOL). The 25% target date is this Thursday, October 14 which we are only 373 members from achieving. I know we will hit that target with no problem. 5 of 11 Detachments have already hit 25% which are South Dakota, Oklahoma, Montana, Texas and North Dakota. We also have South Dakota and Oklahoma already surpassing the November 10 target date of 35%. Great job to those Detachments and yto those other 6 yes we have work to do but I know we can do it.

I know I have attached a lot of files but I wanted to make sure each Detachment gets all the information sent down from National. With that being said make sure we are getting it down to all our squadrons. I have included the this years IRA form, Target dates, The weekly VE&E report with the Marvin P. Nay Nomination Form. I also included National Commanders Flyer for his GREAT program "Flying Flags For Heroes." Remember if we do not get this information out to our squadrons how will they know what they are eligible for when it comes to our many awards given at Convention. We will resume our monthly Regional Call on November 2 at 8PM CST.

As a final not the National Directory was finally sent out. I noticed Colorado and Nebraska show that no Certification of Officers was sent in for your Detachment. If you can please get it taken care of as soon as possible.

For God and Country,

Juan R. Torres
National Vice Commander
Midwest Region 2021-2022
