

Midwest Fox Squad,

103.02% for 2021

Congratulations Mighty Midwest

As many of you can see we are still working our 2021 Membership and are moving forward with not forgetting our members and getting them renewed. 6 of the 11 Detachments made are over 100%, so thank you to:

Oklahoma 192.32%
South Dakota 159.63%
Montana 122.90%
Wyoming 111.80%
North Dakota 110.68%
Nebraska 102.05%

All other Detachments are close and making movement. Let's remember we have till December 31, 2021 to collect 2021 dues. Texas needs 280 members, Kansas needs 317, New Mexico needs 249, and Colorado needing 534 to hit 100%. Plenty of time to have 10 out of 11 Detachments makes at least 100% for 2021.

Now for 2022 we are currently sitting at 27.18%, with November 10 coming quickly for the 35% target. I know we can get this done and chip away more at the Southern Region who is sitting at 29.97%. We as a region cannot let the Southern Region continue its domination of membership for a third straight year. Thank you South Dakota, Oklahoma and Montana for surpassing the 35% target. North Dakota and Texas you are just about to get there. Kansas, New Mexico, Colorado, Wyoming and Nebraska you have some work to do but I know you can do it. Let's not leave it till the end of the year to get that membership in. Keep doing your buddy Checks and letting those members who have yet to renew the benefits they can lose if not a member in good standing. Once again thank you for all the hard work and looking forward to a great membership year.

110% for 2022
