

Midwest Fox Squad,

As many of you know online Membership renewal will be going live now. This is why we are ASKING ALL SQUADRONS to fill out the Annual Squadron Data Report Form; I attached, and get it to National as soon as possible. Once online renewal is open and the SDR has not been filled out only the Detachment and National Dues will be collected. Then each Squadron will be responsible for going to the member and collecting any extra. Please forward the form out to all squadrons and get to work to make contact with the Squadron Commanders and Adjutants to make sure they understand the importance of this Form. Please get them to send in as soon as possible.

Great job on membership as we inch closer to the 35% target which has been extended to November 15, 2021 from November 12 in observance of VETERAN DAY. North Dakota has joined South Dakota, Oklahoma, and Montana who have already surpassed the 35%. We have Texas just 62 member short of reaching the Goal. Nebraska and Wyoming sitting above 30%. Colorado, Kansas and New Mexico with a lot of work to do. As a region we are 930 members short of hitting the 35% mark. I know we can get this done by the 15Th.

Once again let's get the SDRs out to our squadrons and get them in so we will not have problems.

For God and Country,

Juan R. Torres
National Vice Commander
Midwest Region 21-22
