

USS MIDWEST,

Our 90% target date has now come and gone. 6 of the 11 Detachments in our region surpassed the goal and are now working their way to our 100% target for June 9, 2021. As many of the States in Our Great Nation begin to loosen their grip and open up we are seeing membership come in. The bottom 5 Detachments are beginning to see membership come in. To those Detachments lets start to push membership as we get closer to Convention. We are now fully immersed in Conventions throughout our Detachments. As Detachment Commander, Adjutant and Membership Chairman you should be pushing the Importance of getting membership in on the various levels. As a Region we sit at 84.55% and I know we can be at 100% by convention if we all work hard.

Congratulations on hitting 90% by May 12

South Dakota 139.23%

North Dakota 96.56%

Nebraska 95.99%

Montana 94.04%

Oklahoma 93.79%

Wyoming 92.05%

Gentleman, thank you for all you do for this organization. As we come close to being a fully open nation we can begin to move forward. The past year and half has been difficult be we can make the best of it. Lets keep reminding our members why we are here and we have not forgotten about them. Let the American Legion and Auxillary know we are always here. As we move closer to Memorial Day lets remember why we are members.

For God and Country
