

Gentlemen,

On the whole, we have picked up 2693 members since the last report of November 12<sup>th</sup>, with the Central Region accounting for over 1000 of those members!! The race for the Chairman's Cup has really tightened up as the Midwest is now within two percentage points of catching the South, while the East and South are picking up steam. I would like to thank you all for your hard work thus far and I know that you will keep it up. I wish you all a safe and HAPPY THANKSGIVING, and let us always give thanks to our veterans and those that are currently defending our great nation, whether at home or abroad.

THOM SKELLEY  
SONS OF THE AMERICAN LEGION
