

Good Day Midwest Region. Allow me to introduce myself for our new contacts. My name is Nick Arceo (Detachment of Colorado). I am your National Veterans Employment and Education Commission Representative. You are receiving this information because you are a representative of the Midwest Region. The Midwest Region now has 3 Detachments that have an established VE&E Committees. Colorado, Texas and Nebraska. I still need the names and contact information from those States RE their Committee members. The other States in our Region, Oklahoma, Montana, Wyoming, South Dakota, Kansas, New Mexico, North Dakota and Mexico I am still waiting to hear from you. If you have a VE&E Committee and the names and contact information, I will add them to the list. Here is the latest VE&E Newsletter, please pass this on to your contacts. I am also attaching The Sons of The American Legion VE&E SOP for Detachments, this is very good information that will assist you in starting a VE&E Committee. Thank you for everything you do for our Veterans.

The American Legion Veterans Employment & Education Division's mission is to ensure that our veterans have the opportunity to provide, with honor and dignity, the economic necessities of life for themselves and their families.

Main goals established for the National Sons of The American Legion Veterans Employment and Education Commission are:

- **to increase Detachment VE&E participation by 10%,**
- **encourage local job fairs and employment opportunities, and**
- **to provide resources to end Veteran Homelessness.**

We work to disseminate information concerning Veterans Employment, Education and Homelessness that The American legion VE&E Division provides to increase awareness within our Detachments/Departments.

I wish you all a Merry Christmas. God Bless
