

Midwest Leaders,

We are looking pretty good. As a region we have reached the 35% target before the Target Date. Good Job. Don't throw in the towel now though. We have a long way to go.

We are still sitting in 2nd place as a region and have gained a little ground on the Southern District. Thank you for everything you are doing, and remember: Membership is the life blood of our organization.

"BE THE ONE"

Terry Harris
Midwest Membership
Committee Chairman
