

Leaders of the Midwest,

Here is the most recent membership report. Some movement but not a lot. That being said it still imperative to keep working our membership. As Vice Commander Torres stated in his last email membership is key and we don't want OUR Vice Commander or any one of our wonderful Detachments to come up short. Those that are below 100% are so close I can taste it. We still have a month before the 105% target date and already have 4 of our Detachments exceeding that. Everyone else is still in the race and have time to help OUR region pull into the lead. Let's not let off the gas!!! WE CAN DO THIS and show the Nation that the Midwest is a force to be reckoned with. Have a great rest of your week and while celebrating our Nation's birth next Monday let us not forget why we are all Sons of The American Legion and help take care of each other and our Veterans. God Bless each of you and your families and God Bless America!
