

MIDWEST FOXSQUAD,

Great job on hitting the 80% target by March 9th. We still have some work to do to catch Eastern Region who is in first place and ahead of us by over 4%. Central and Southern are ahead of us by over 2%. We are also in danger of being in last place as the Western Region is less than 1% behind us. We need to get to work on membership. Let's start working those phones and reaching out to our squadrons, especially those that are still at 0 if any. As I have asked all Detachment to add me to their Weekly Membership reports that they send out to their Detachments. Only 5 of our 11 Detachments made the goal, with Oklahoma barely missing it by 10 members.

Congratulations to our New Last place Detachment TEXAS

Let's get to work as the 90% target date is due April 13. That is a month from today. Of Course the Mexico, South Dakota and North Dakota have already hit it. Wyoming and Nebraska are right there. Everyone else has some work to do.

As I said in the last meeting our next Regional Call is April 5 where I expect Detachment Commander to give a brief report on what they doing for membership.

WAY TO GO MIDWEST REGION!!!!

Mexico, South Dakota, and North Dakota already over the 90% goal and Nebraska not far behind (only need 159 to make it) and Wyoming right there too (only 67 shy of the 90%)

As a region we made it but had all the Detachments in the Midwest hit that goal along with our SUPER STARS we would have ended up at 83.51% which would have moved us ahead of the Southern Region and into 3rd place.

To those Detachments that came up just a little short....don't lose focus everyone was well with striking distance and I have faith that you will all continue to recruit, renew, and retain members. Remember that as a Detachment we are only as strong as our Squadrons and as a Nation Organization we are only as strong as our Detachments. Keep up all the great work and remember your membership team is here to help in any way we can.

Have a great weekend to each and everyone of you and thanks again for all of your hard work.
