

Membership has slowed down greatly. We moved about 1% or less since the last report I sent out. We are about 3% behind all other regions. Some of the Detachments that were at the top have now fallen to the bottom. Some squadrons are just sending in very little membership if any. Thank you to South Dakota, Mexico, North Dakota and New Mexico for surpassing 105%. The following needs members to reach 100%:

Colorado	113
Nebraska	310
Wyoming	59
Texas	332
Oklahoma	116
Montana	129
Kansas	851

Please contact all your squadrons to see about them getting in membership.
