

Natl Convention Committee - Monthly Update

Not a lot of new information to share; will have more formal/finalized plans to share at the Spring N.E.C. as the Detachment of Wisconsin will have completed is spring D.E.C. at that time.

- Committee did complete a Zoom Meeting on March 24, solid attendance
- Plans for Milwaukee 2022 continue to be:
 - Pin – designed, proof and quote received, will be ordered shortly, next step is figuring out sales/distribution.
 - Fri Night Social – still considering Hospitality Suite as leading option, 2nd option would be a room at a local bar/restaurant. Likely to include some fundraising events
 - Sat National Children and Youth Academy Room – continue to work with C&Y to arrange visit to 128th Refueling Wing and have a 10 Ideals program
 - Sat 50th Convention Commemoration – ongoing and working with that committee, I will leave it to this to provide more details
 - Sun – Legion Family afternoon – Department of Wisconsin planning, will be for Legion Family, will be at Veterans Park which is around 6 blocks away from the Convention area of the city, along Lake Michigan
- Plans for Charlotte – Mr Byrd has started, more to share after Milwaukee is completed. Have some basic plans in mind and developing their committee
- Plans for New Orleans – Mr Vassars and others have starting to develop a list of possible venues and plans, a great start for being several years off yet
- Continued to review and update the Strategic Plan Document, will continue at Spring Meetings
- I will be sending out the next “about Milwaukee” next weekend. Will focus on things to do with your youth as April is C&Y Month.

As a note/reference, I have attached the Strategic Plan for your reference....

Thanks!!

Allen J Watry

Sons of the American Legion
National Convention Committee Chairman
Detachment of Wisconsin Vice Commander
