

Just a couple very quick items for this update, going to keep it very brief based upon:

- Spring N.E.C. just finished and most on this email were in attendance
- I am planning on participating in all the Regional Monthly Calls this month (and likely July also) to also get the information shared to Detachment Commanders and others.

Basics are:

- Convention Web Site is up and running through the Legion National Web Pages, keep checking back there for information. [National Convention | The American Legion](#)
- Key activities being planned for our 50th Convention
 - Fri Night – Detachment of Wisconsin is working to coordinate something with the Department of Wisconsin. Ideally will include a raffle of some very patriotic hand made quilts for one (or more) programs (send out pictures next month hopefully)
 - Sat morning- Children and Youth Academy – still working/planning for the group to visit the 128th National Guard Refueling Wing. C&Y working through a lot of details and plans [128th Air Refueling Wing > Home \(af.mil\)](#)
 - Sat afternoon – 50th Convention Banquet being planned by the 50th Convention Commemoration Committee. They will send out more about the Banquet as well as many other items being planned to celebrate our 50th Convention
 - Sun afternoon – American Legion Family Picnic at the War Memorial Park on Lake Michigan. See the National Convention Web Page for more details and to reserve a table [Kegels Inn Rack Card Combined.pdf \(legion.org\)](#)
 - Mon evening – American Legion Family Baseball night with the Brewers – again the details are on the web site. [2022 American Legion Night Flyer_0.pdf](#)

A question I was posed at the Spring N.E.C. was regarding tours of local attractions. I am not aware of any being set up by the Department or Detachment of Wisconsin at this time, but will highlight a couple potentials for groups if there are looking to set something up.

- Harley Davidson Tour of the Factory or Visit the Museum. The Factory tours (per the web site) look to be on hold until 2023, but the museum is open and it is close to the Convention Center [Factory Tours | Harley-Davidson USA](#)
- Pabst Brewery Tour of the historic brewery [Tours - Best Place at the Historic Pabst Brewery \(bestplacemilwaukee.com\)](#)
- Riverwalk Boat Tours [Riverwalk Boat Tours | Boat Tours in Milwaukee, Wisconsin \(riverwalkboats.com\)](#)

Also, you can go to “visit Milwaukee” for many other ideas and other information.
