

Please find attached an updated version of my Consolidated Squadron Report Forms Summary spreadsheet for your use, along with Microsoft Excel and Adobe PDF versions of the CSR form itself.

I have updated the layout of the Squadrons and Districts tabs in the summary file to mirror the design we use nationally to collate all of the submissions for our National Convention Awards. The columns of those tabs are now used for the various entry fields on the report and the rows are for recording each form's responses.

The Squadrons and Districts tabs also include columns to automatically calculate per capita donation values and volunteer hours valuations (based upon the 2022 rate of \$29.95 per hour).

Each of the two summary tabs also have collective totals for each of the reporting pillars on the form for a quick overall total of the efforts reported.

I hope you find the summary file useful and I welcome any questions about its usage.

Proud Possessor of a Priceless Heritage,

Scott J. Thornton (OH)
National Assistant Adjutant
Sons of The American Legion
