

Midwest Leaders,

We are almost there. Tomorrow is the 80% target and we are at 79.30%. We are so close but we aren't there. Congratulations to South Dakota. I have congratulated South Dakota so much that my laptop types it by itself. You guys are awesome. Commander Hansen gives all the credit to others in his Detachment but something tells me that leadership may have something to do with it also. I am also very proud of my Home Detachment. Kansas is in 2nd @ 84.20%. Great Job Kansas! Mexico is sitting at 80.65%. Nebraska, Oklahoma, and North Dakota are all above 79%. Everyone else has a way to go. I know we can do this. You've done it in the past. Let's get busy and find those members that haven't renewed. Everyone has a reason for joining. That reason doesn't just go away. As always, if you need anything don't be afraid to hollar. I will help any way I can. If I can't help, I can find out who can.

Remember, you can make a difference
