

Midwest Leaders,

Everyone made the 75% goal except for New Mexico and Texas. Those 2 were oh so close. Great Job everyone! We are still in 4th place but we are gaining a little on those ahead of us.

On another subject, I was honored to be on a Zoom Call with the Detachment of North Dakota. They are doing a great job and have some wonderful things on the horizon. Enjoyed being able to listen in and hear what others in our region are doing. I hope someday I get the chance to make a visit. I won't forget to pack my snowshoes.

Remember, you can make a difference
