

Midwest Leaders,

I have no words for this report. We are doing fantastic! Yeah we are still in 4th place. March 15 is our 80% target date. As a district we are already there. Keep at it. I've said it before and I'll say it again, It's only going to get more difficult from here. Each day will be harder than the one before or the one last week. Remember those that have been left behind and have not been asked to renew. I know many Veterans and they all say, "Never Leave Someone Behind". We need to take that advise. Let's get out there and get those renewals.

Remember, you can make a difference.
