

Midwest Leaders,

Tomorrow is our 80% target date. Every Detachment in the Midwest Region has made that goal except one, and they are right there. Thank you! It has been remarkable watching the membership numbers this year. I'm not sure we have ever had a year where we have been this far ahead of the goals that have been set for us. With that being said, we still have a ways to go to get to the 100% mark. It will take a Herculean effort to get the rest of these renewals. Can you do it? I know you can. You all have done such a great job so far this membership year that I can see the Midwest Region coming out on top. Let's not give up now. We are almost there.

Remember, you can make a difference.
