

Midwest Leaders,

Nationally we finally hit the magical number. 100.03%. Great Job. Obviously it takes each and everyone of us and each and every member. As a region we are at 98.77%. We are 357 members away from being 100% as a region. Again, check on those members that haven't renewed. See about doing a Buddy Check or 2. We are too close to give up now. Everyone in the midwest region has done a great job to this point. Let's keep it going and show the rest of them that The Midwest Is The Best. I have no doubt in my mind. How about you?

Remember, you can make a difference
