

Midwest Leaders,

101.18%. Nothing bad can be said about that. WTC Midwest Region. We have some real allstars in our region. You know who they are just by looking at the report. I could talk about the numbers all I want but you as your Detachment Leaders know what needs done. I am very proud of what we all have accomplished to this point. We still have work to do. Let's see about getting those renewals that we are still lacking. Please make that effort. Wouldn't it be great if we went into National Convention with a new all time high? I've said it before and I will say it again. You all have done a fantastic job this year. I don't know about you, but I have had a ball watching the numbers increase as dramatically as they have. Let's keep it going and paste a permanent smile on all of us.

Thank you all for all of your efforts this year. I'm very proud to be a member with all of you in The Sons of The American Legion

Remember, you can make a difference
