

Midwest Leaders,

We have fallen into 4th place as a region. I do want to thank New Mexico for the large Bump in membership. Keep up the great work. You still have a few days to reach the 65% target. Texas you are very very close. Get them sent in and you will get there also. The rest of the Midwest Region Detachment have reached the 60% goal and then some. Keep up the great work and we will make our next goal. February 15th is our next Target Date. Will you be at 75%? South Dakota, Mexico, and Oklahoma are already there. WTG Guys! Montana and Nebraska are very close with the rest right there ready to get it done. We are ahead of Last year, but we could be doing much better. As I said, 4th place is unexceptable. Again, I have the utmost confidence in each and everyone of you to make sure we aren't left behind.

Also attached please find the flyer for SAL National Chris Carlton's Homecoming. Sounds like a great time to me.

Thank you for all you do. Remember, you can make a difference.
