

Midwest Leaders,

Good Job Texas and New Mexico. Your hard work is paying off. You will be at 100% before you know it. Kansas? you better get busy or you will be left behind. Nebraska is right on your tail. North Dakota, Montana and Wyoming, you folks have a ways to go but, I know you will be there when the time comes. Let's get busy. As it stands, We have 4 Detachments helping to carry the load for the rest of us. I wish South Dakota, Mexico, Oklahoma, and Colorado would bottle their hard work and share it with the rest of us. Great Job to the top 4. Look out though, the rest of us are coming.

Remember, you can make a difference
