

Midwest Leaders,

There have been a number of Blue Brigade submissions this year and each nominee is also qualified for the Recruiter of the Year. However, there have not been any submissions for this award as of yet. Please remind the detachments in your region of the award. I have enclosed a link to the award form.

You can also find the form on our SAL website legion.org/sons under the Forms and Publications tab.

The above has come from Membership Chairman Thom Skelley. Please distribute and let's see about getting a Recruiter of The Year from the Midwest Region.
