

## **Consolidated Squadron Report (CSR)**

We have reports from 1,054 of our 5,729 SAL squadrons that have submitted their data for a **18.4%** completion rate.

CPR and CSR reports must be submitted to national by July 1st for a department/detachment to be considered for an award at the national convention.

We want to emphasize the importance of these reports. They are not just numbers but represent our collective achievements and progress. We encourage all posts and squadrons to submit reports to ensure accurate and up-to-date data, which is crucial for our congressional report. Your active participation in this process is greatly appreciated.

A significant backlog of data, including officer certifications, has been submitted to [mssforms@legion.org](mailto:mssforms@legion.org). Don't worry; all data will be entered first in and then first out. As a result, there may be a delay in reflecting a department's or detachment's numbers.

For your convenience, CPR and CSR reports can be quickly processed and submitted via [myLegion.org](http://myLegion.org). Alternatively, you can send them to [mssforms@legion.org](mailto:mssforms@legion.org).
